OFFICE OF THE DEPUTY DIRECTOR (INTELLIGENCE)

1. DEPUTY DIRECTOR (INTELLIGENCE)

The Deputy Director (Intelligence) is responsible for directing and coordinating the activities of the Offices of Central Reference, Research and Reports, National Estimates, Current Intelligence, Scientific Intelligence, Operation, and Basic Intelligence, and the Photographic Intelligence Center. He will also assist the Deputy Director (Coordination) in the coordination of intelligence activities relating to the overt collection and systematic organization of information and the production of substantive intelligence. He will represent the Agency on the National Security Council Planning Board and undertake the fulfillment of such additional functions as may be specified by the Director. (See organization chart, figure 1.)
